

FT230H 36"x60" Tempered Glass Backboard

1. **BACKBOARD** - Backboard shall be 36"x 60" rectangular 3/8" thick tempered glass framed in a competition grade anodized aluminum framework. Rim mounting pattern shall be 5"x5" with aluminum core rim supports. Backboard shall have bright white 2" boarder and official size shooter's square permanently fired into glass with ceramic ink. FT36-HFM silver mounting structure shall be included. Mounting structure shall provide mounting slots allowing backboard to be mounted to any standard 20"x35" mounting pattern. Structure shall also provide adequate rim support to guard against backboard breakage when players hang from rim. Backboard shall weight approximately 145 lbs and carry a 10-Year Limited Warranty.
