

FT220H 36"x60" Acrylic Backboard

1. **BACKBOARD** - Backboard shall be 36"x 60" rectangular 1/2" thick acrylic framed in a heavy duty anodized aluminum framework. Rim mounting pattern shall be 5"x5". Backboard shall have bright white 2" boarder and official size shooters square screen printed on backside to eliminate wear. FT36-HFM silver mounting structure shall be included. Mounting structure shall provide mounting slots allowing backboard to be mounted to any standard 20"x35" mounting pattern. Structure shall also provide adequate rim support to guard against backboard breakage when players hang from rim. Backboard shall weight approximately 100 lbs. and carry a 10-Year Limited Warranty.
